

**Description**

Our student initiative is based at ETH Zürich (Hönggerberg) and inspires students across Switzerland in hands-on space engineering challenges through collaboration with academia and industry.

ARIS goes into the 3rd round: Following project HEIDI, ARIS participates at the Spaceport America Cup 2020 in New Mexico and develops its own Rocket Engine. ARIS conducts events around these activities and is constantly reaching out to sponsors, the public and the next generation. The realization of the ambitious projects requires motivated managers to ensure ongoing activities and communication on the long-run as well as on the daily basis.

As **Design & Content Manager** your main responsibility is to represent and show ARIS from the best side. Tasks include:

- Create content for Brochures, Website, Newsletter, Newspaper ect.
- Designing, making and/or ordering marketing material, e.g.:
  - Powerpoint Presentations for pitches (for sponsoring)
  - ARIS and HEIDI brochures
  - Flyers, roll ups, ARIS Swag (e.g. stickers, mugs, t-shirts, patches that can be added to ARIS shirts)
  - Business cards (for management)
  - Keeping the ARIS corporate identity up-to-date
  - Logos
  - Templates
  - Enable sponsoring etc.
  - Keep Website up-to-date
- Contact potential newspapers or sponsors for the merchandise

**Expectations**

From each our team members we expect:

- We expect you to spend 1-2 days a week on the project and be able to join team meetings and workshops in Zurich
- Be proactive and able to take responsibility
- Fail, get up and learn from it
- Take responsibilities over your projects and tasks
- Work close with your marketing team but also with the engineering teams
- Participate on team meetings

**What do you get?**

By participating in this unique challenge you will:

- Get in contact with many sponsors from academia and industry
- Take initiative outside of the class room and gain hands-on experience
- Establish and grow your network in industry and academia
- Be part of a friendly community, grow as a unit and build life-long friendships
- Kick start your career!

**Project start:** July 2019

**Duration:** Minimum 2 semester

**Working hours:** 10-16h/week or per project

**Any questions? Get in touch.**

We look forward to hearing from you! Please submit a complete application, including CV. If you have any questions, please reach us on [contact@aris-space.ch](mailto:contact@aris-space.ch)
